

14 April 2026

To Whom it May Concern

As vendor-neutral consulting firm and Tier Certification body, Uptime Institute Professional Services does not provide endorsements of vendors as business policy. Our role is to work with any project team of the Owner’s choosing.

This letter is to confirm that BlueSun DC group (including projects performed by its mother companies Critical Building and Blue Sun, and projects performed under its former brand Cap DC) contracted with Uptime Institute Professional Services for the following projects directly:

- Senelec, Diamnadio – Tier III – TCDD – Expires 24 March 2022 (SENEGAL)
- MPTEN / ANIEN Conakry – Tier III – TCDD – Expires 12 August 2022 (GUINEA)

And were contracted by Datacenter owners below for the following certifications:
